

Parking: It is past the parking pre-order deadline.

Some options include parking in one of the lots closest to Union South. Lots 17, 20, 7, 27 and 36 are gated and you can pull a ticket as you enter the lot. You then pay with a credit card when exiting. However, these lots fill very quickly and spots may not be available. For live-monitoring of actual parking spots available in campus parking ramps on that day, please go

to: http://transportation.wisc.edu/parking/lotinfo_occupancy.aspx.

You also have the option to stop in at Transportation Services at 620 Walnut Street, Rm. 124 OR 21 N. Park Street (pull into the parking garage and up to the booth) to purchase a permit. Transportation Services will sell you a permit for a lot, but it may not be especially convenient based on lot availability that day.
