

22nd ANNUAL FARMER COOPERATIVES CONFERENCE

Farmer Cooperatives Young Leaders Scholarship Program

The Farmer Cooperatives Young Leaders Scholarship Program is for college students who have an interest in agribusiness and cooperatives. The program is a great opportunity for interaction between students and agribusiness leadership, exposing students to different segments of the agricultural cooperative sector, and enhancing students' preparedness to enter careers in the agriculture industry.

Each scholarship recipient must attend the Farmer Cooperatives Conference November 6-8, 2019 in St. Paul, Minnesota. Students will be recognized at the conference welcome reception and will be paired with agribusiness leadership during the conference luncheon. It is expected that award recipients will submit a short statement outlining their experience at the Farmer Cooperatives Conference.
