Tuesday, January 25, 2022

Forum: 10:00 a.m. – 4:00 p.m.

Reception: 4:00 p.m. – 5:00 p.m.

Varsity Hall, Union South | 1308 W Dayton St, Madison

The title of this year's Forum is "***Agriculture, Nitrogen, and Water Quality in Wisconsin***" and will start with presentations by UW-Madison and Division of Extension experts on the status of Wisconsin's farm economy, including the current situation and outlook for dairy, corn and soybeans, livestock and meat, and specialty crops, as well as farm income. The afternoon will focus on various efforts around the impact of agriculture, and specifically nitrogen, on water quality in Wisconsin. Speakers from UW-Madison and the Division of Extension will provide an overview of current and future work being done on campus. Following them will be a variety of off-campus stakeholders from around the state sharing their efforts and perspectives on improving water quality in Wisconsin. A panel discussion will follow each section allowing for audience Q&A.

The registration fee of \$50.00 covers the Forum, lunch, breaks, and reception. Online registration closes on Friday, January 21st. The Forum will also be livestreamed for those not able to attend and will be made available on the [Renk Agribusiness Institute YouTube page](#), no registration required.

Parking: A reserved parking spot for the day of the Forum can be purchased during registration for \$20.00. Parking passes must be ordered by **Tuesday, January 4th** to allow for processing. Attendees who order a parking pass will receive additional instructions by Monday, January 10th.

More information about the Forum, including agenda and livestream link, will eventually be posted on the Renk Agribusiness Institute website: <https://renk.aae.wisc.edu/2022-agricultural-outlook-forum/>
